Re: **People v Henry P. Steeneck**

07 cr 929

Your Honor,

Mr. Steeneck underwent surgery on Friday November 30, 2007 at the Hudson Valley Hospital Center. Mr. Steeneck was released from Hudson Valley Hospital yesterday, December 3, 2007, in the late afternoon. I personally visited him at the hospital at the time when he was being discharged. As described by the Dr. Rosner, during his conference with the Court, Mr. Steeneck will be under Dr. Rosner's care for at least an additional week.

As the Court may recall Dr. Rosner explained that Mr. Steeneck's post operative physical condition necessitates that he rest without physical activity or physical contact of any kind, a difficult measure to be guaranteed in a jail setting. I am again awaiting a confirming letter from Dr. Rosner. I respectfully request that Mr. Steeneck's release be extended until December 12, 2007 at 12:00 p.m.

I have attempted this morning to contact AUSA Richard Tarlowe to review this application with him but was unable to reach him.

I thank the Court for its consideration.

Sincerely,

Charles J. Diven, Jr., Esq.
